## FLOWER SHOW SCHEDULED DEC. 2

### CIVIC GARDEN CLUB PREPARES FOR SHOW

The Civic Garden Club will stage its annual Christmas Show on Saturday December 2 and Monday December 4 in the Cox Building on East 1st, it was announced by Mrs. David Shapiro.

The show will consist of Christmas arrangements, including dinner table arrangements, inside door decorations, buffet placements, outside door decorations, and a number of others pertaining to Christmas. There will also be dried arrangements of various kinds.

Activities will get underway at a luncheon to be held at the Milam Coffee Shop at Noon Saturday December 2 and the show will begin at 2:30 P. M. A delicious turkey dinner with all the trimmings is being prepared by the social committee. Members of the club are honoring out-of-town guests at the luncheon who are acting as judges for the show. Show hours Saturday are from 2:30 to 7:30 P. M.

On Monday the show will open at 2 and close at 8 P. M. The show will be divided into several different classes with first, second and third prizes for each class.

This will be the second annual Christmas show staged by the Civic Garden Club and plans are being completed to put on a better show this year. The different committees have been planning for weeks in making this event outstanding.

The public has a cordial invitation to attend this yuletide event. A considerable amount of interest has been created this year among members of the club and their efforts will be displayed in many beautiful arrangements to be seen at the show.

### Judge Morrison Injured In Wreck Is Resting Well

Judge W. A. "Bill" Morrison was seriously injured in an accident on Highway 77 southeast of the city around 6:30 P. M. Saturday.

Judge Morrison sustained a number of fractured ribs, lacerations about the head and face and a concussion.

Dr. Clifford Swift, attending physician, said early Monday morning that Judge Morrison's condition was satisfactory but would have to remain in the hospital for several days.

The pickup which Mr. Morrison was driving collided with a trailer truck driven by Charles Henry Shaffer of Buckholts. Mr. Morrison's vehicle was thrown into the ditch, overturning, which resulted in heavy damage.

Mr. Shaffer's truck, loaded with cattle, was damaged considerably but occupants of his truck were not injured.

Judge Morrison was elected to the State Court of Criminal Appeals in the August election defeating Judge Lattimore by a good majority.

Friends over the County and State regret to learn of Judge Morrison's accident but are glad to know that his condition is satisfactory and progress will continue.

### The Frank Gelner Home Destroyed By Fire Sunday

Fires are becoming more hazardous each day with the continued dry weather.

The home of Frank Gelner three miles west of Cameron was completely destroyed by fire Sunday afternoon around 3. The family was visiting relatives in another section of the county and the origin of the fire was not known.

Adolph Richter, a neighbor discovered the fire and summoned the Cameron Fire Department who was able to save the barns and surrounding improvements. A brand new washing machine was saved by neighbors.

The sheriff's department and city officers are asking that the people take precautions against fire.

## SANTA AND SLEIGH FEATURE PARADE

### REAL LIVE REINDEER HERE FOR DECEMBER 4

Preparations have been under way for many weeks now to herald the coming of a wonderful old gent to Cameron. Santa will make his appearance in Cameron promptly at 5:30 P. M. on Monday, December 4th when he will lead a big parade replete in his traditional suit of red and white sitting in his very own sleigh drawn by his reindeer. Santa is making this special visit to Cameron from the North Pole to visit Cameron Children and will have candy and souvenirs for every one.

The Thorndale High School band will be in the parade, as well as the Yoe High School Band. Various organizations will decorate floats.

A wonderful afternoon is planned for citizens and visitors to Cameron on the afternoon of December 4th. Come to town early and stay for the entire program. It will begin at 2:00 P. M. when the Civic Garden Club will begin its second showing of their Christmas Flower Show, housed in the Cox Building, which will be most unusual and worthwhile.

The stores will be decorated for the Christmas season and will have their display of Christmas merchandise for you to see. After you have visited the flower show and viewed the Christmas merchandise and decorations in downtown stores, it will be time for the big parade to start. It will be organized at the First Baptist Church and at 5:30 will commence down Main Street and on down all of the main section of town. Santa will have candy and souvenirs for all of the children and will visit (Turn To Page Ten)

### SANTA FE TOWN GETS STREET IMPROVEMENT

Work on re-topping Highways 190 and 36 through Santa Fe Town is making fine progress.

The new project starts at the Horned Frog Station and extends west to the city limits on the Temple highway. Work is under the supervision of the State Highway Department, providing both material and men for the job. This section has needed such construction for several years and streets in this area have been almost impassable for some time.

There are a number of other streets in the city that are in bad needs of repair but the street committee has been busy filling in the fox holes.

Milton Schiller, member of the board of Aldermen, disclosed that a total of \$1,300 net profit has been deposited in a local bank as revenue from the parking meters for the past three months. If this average is maintained throughout the year and this amount is received every quarter, the meter fund will net around \$5,000 a year and after the meters are paid for the increase will be almost double the amount coming in at the present time.

Marshall Terry, officer in charge of collection said a total of \$211.23 was taken from the meters last week. This is a slight increase over the previous week's returns.

This week the State Highway Department authorized for projects on major highways in the state with an estimated cost of \$162,000. The commission order said the state does not have funds available to finance its share of the work at the present.

State Highway engineer, D. C. Greer was directed to submit the work for financing in the next available program.

Progress on several farm to market roads over the county continues with re-surfacing projects. Construction on the farm to market from Clarkson to Ben Arnold was recently started and if favorable weather prevails rapid progress should continue.

### RADIO EQUIPMENT WILL AID POWER COMPANY

Electric service in Cameron was improved further with the installation last week of a radio station in the Texas Power & Light Company office, it was announced by District Manager Henry M. Siebman. Two-way radio equipment was installed some time ago in the pickup driven by Crew Foreman B. A. Slavik and in the service pickup driven by Rush Hairston. Installation of the station in the office was delayed, waiting approval by the Federal Communications Commission.

This communication system, Mr. Siebman explained, permits instant contact between the office and mobile units, and is designed to take care of emergency situations in which time is an important factor and in which usual channels of communications are not readily available.

"With the installation of this system Mr. Siebman said, 'TP&L customers receive the benefits of one of the most modern and efficient aids to better service as repair crews are able to reach the scene of any trouble in the least possible time.'

### WORLD WAR II VETERAN RECEIVES PROMOTION

M-Sgt. S. (Shirley) McLean, for the past two years, first Sergeant of Battery C, 649th Anti-Aircraft Artillery Battalion here, received an appointment as Warrant Officer (jg) this week.

The promotion was in line with a new policy of raising Administrative Assistants of National Guard Units to Warrant Officer status and was made in 649th AAA Battalion Headquarters in Temple on Tuesday evening.

M-Sgt. McLean, a World War II Veteran, enlisted in Battery C in December, 1948. At the same time he became the unit's Administrative Assistant. He was made acting First Sergeant and soon afterwards promoted to that grade.

During World War II Sgt. McLain served almost four years in the Army, thirty-one months of that time overseas. He was with the 41st Division in the South Pacific in the New Guinea Campaign.

On his discharge in October, 1945, he returned to Cameron and was employed by business firms until becoming administrative assistant with Battery C. The unit has made much of its increase in strength under his tenure as First Sergeant.

### ALLEGED RAPIST TO BE TRIED IN MILAM COURT

Pink Hawkins, negro of Burleson County, was being tried in District Court here Monday. Hawkins is charged with rape. The offense occurred in Burleson County, September 17, 1950.

The case was transferred to Milam County on a change of venue. The defendant is represented by Charles Smith, Jr., and D. G. Humble, local attorneys. Representing the State are Leslie Williams, District Attorney of the district where the offense occurred assisted by the local District Attorney, Ed Gunn of Milam County.

Taking the place of Judge Morrison who was injured in a car accident Saturday will be District Judge V. M. Johnston of Palestine.

A Venire of 75 men have been summoned to appear.

### DRAFT QUOTAS TO BE INCREASED IN 1951

Nine men will leave Cameron on November 30 for induction into the armed services with the third induction call since the Korean War began, making a total of 27 men being inducted from Milam County since the hostilities began, it was announced by Mrs. Loretta Brock, chief clerk at the draft board.

The men will leave Cameron at 9:18 by bus for Dallas and report at the Armed Forces Recruiting Station for further orders and assignments.

The quotas for Milam County will be increased after the first of the year as a call for 400,000 men has been ordered from National Selective Headquarters.

The following men who will leave Thursday are: Lenza Caffey Jr., of Rockdale; Melvin James Malovets and Doyle Wayne Cryer of Buckholts; Lockie Minnie Wheller of Maysfield; William Garland Westbrook of Milano; Floris Lemond Lange of Rogers and Bernard Zalesky, Roy Charles Manners and Levie Green Jr., of Cameron.

### Big Bargain Sale At The B. F. Stewart Grocery Announced

The B. F. Stewart Grocery is happy to announce a big Thanksgiving Sale at the popular store Wednesday November 29, and running through Saturday December 2.

Mr. Stewart said he was offering the best in merchandise at low price levels and has a good stock of all the leading brands.

Thrifty shoppers will no doubt take advantage of this unusual sale on the many items offered at reduced prices.

### MEXIA AND NEW ORLEANS TEAMS TO PLAY DEC. 30

Add another, different bowl to your list—the annual National Milk Bowl.

Pee-wee football teams from Texas and Louisiana will clash December 30 in this newest and most unique of all bowls, in Baylor University's new \$1,750,000 stadium in Waco.

The hosts are from Mexia, a small city 66 miles east of Waco. Invaders for the contest of football mites is a team from New Orleans, sponsored by that city's recreation department.

The Waco Junior Chamber of Commerce is sponsoring the Milk Bowl, which was born last year in a Texas village named Gause. For years the town's high school was without a football team. Finally it decided to field a team of its little fellows, weighing under 100 pounds, as an experiment.

The abbreviated gridiron proved they could furnish gridiron thrills, too. Other towns heard of it and the idea of pee-wee teams spread. Last year the first Milk Bowl took place in Cameron, with San Saba defeating the host Gause youngsters, 20 to 7.

The organizers of the Milk Bowl—E. C. Weaver and Joe Moore of Gause and Ralph Widman a sports announcer for Radio Station WFAA in Dallas saw that the juvenile extravaganza had outgrown its modest beginnings and passed it along to the Waco Jaycees.

The Jaycees have big plans for the (Turn To Page Ten)

### TO BE IN PULPIT AFTER JANUARY 1

Rev. John C. Solomon, minister at the First Presbyterian Church at Port Lavaca, has accepted a call extended to him by the First Presbyterian Church of Cameron, it was announced by Drayton McLane, chairman of the pulpit committee.

Rev. Solomon and family were here visiting in the city last week and he met with members of the committee and discussed plans for his return to the church here and told the committee he would be in the pulpit not later than January 1.

Rev. Solomon was minister at the church here several years ago and is well known and liked by the people of the city and is looking forward with great interest in returning to the Cameron Church. He has always been an inspirational leader wherever he ministered and the congregation at the church is very anxious to have him as their leader again.

He is also a civic leader and during his past ministry here took an active part in school activities and worthwhile civic undertakings. Other churches have expressed their interest in the Solomons return to Cameron and realized his spiritual value to the community.

### ENEMY PUSH PERILS 110,000 U. N. TROOPS

TOKYO, Nov. 28—Waves of Chinese Communist infantry smashed Tuesday at the turned right flank of the United Nations in Northwest Korea. The Reds attacked all along the 75 mile front, forcing new withdrawals.

Elements of the South Korean II Corps were surrounded at the crushed right flank.

A United States battalion, about 1,000 men, was reported encircled near the center of the front.

Near the front line's left flank, battering Red forces cracked a hole before dawn Tuesday and captured the town of Yongsan east of Taeryang River. The penetration was achieved against South Korean troops.

More Red troops were moving up to the attack. United Nations reinforcements were on the way north to the crucial battle zone.

More than 120,000 Communists appeared bent on cutting in behind the United Nations line on the exposed right and imperiling a U. N. force of more than 110,000.

The third onslaught hit from the western anchor, held by the United States 24th Division southeast of Chongju, eastward to the collapsed right flank of the South Korean 8th Division southeast of Tokchon.

South Korean withdrawals in the Tokchon area have exceeded twenty miles since the big Red counter-drive began Saturday. The Red thrust definitely has stalled a U. N. offensive which opened Friday with the aim of quickly ending the war.

Elements of the 2nd Corps were surrounded at Maengsan, eleven miles southeast of fallen Tokchon. The three divisions were trying to regroup along a new defense line below a breached one they had been ordered to hold as a line of "no retreat" (Turn To Page Ten)

### Home Decoration Contest Drawing Interest Here

Only 16 days are left to enter the annual Christmas Home Decoration Contest. The Business and Professional Women's Club, whose committee is headed by Miss Mildred Thornton is urging all of the folks who live in Cameron to begin work on their plans for home decorations and call Miss Thornton at 447 or 374 at an early date, at least not later than December 15, and make their entry. It doesn't cost a thing to enter the contest. The Cameron Merchants have generously contributed the wonderful prizes that will be given away. You might win the first prize which is \$50 or one of the other prizes which are being offered; which are \$35.00 for the second, \$20.00 for the third, \$10.00 for the fourth, and \$5 for the fifth, sixth and seventh prizes.

There will be many wonderful and original ideas carried out in the contest this year and people from the entire county and surrounding towns will come to Cameron to view these displays. Many unusual displays are being planned that will not cost the decorator anything but effort. Things around the home, cedar, holly and other greenery can be used for effective displays. How much you spend on your decorations will have no bearing on your chances to win. Put your creative instinct to work! Lights placed at vantage points about the displays and yard will have a wonderful effect. Remember, arrangement, originality, lighting and color will be the deciding factors. Use your imagination in arranging your material used for the displays. Be original in your ideas. Use lighting to the best advantage. Lights can do much towards creating an illusion of something that is not really there and will do everything towards making your display more effective. Be generous with bright colors. Colors that will best highlight the display and make it more interesting.

Judges have been invited from Marlin. They will be supplied by the Marlin Chamber of Commerce. The judges will not know the name of the entrant. They will judge the displays entirely by numbers on their judging sheets.

### Dr. Marvin Bartlett To Do Post Graduate In Chicago Soon

Dr. Marvin Bartlett who has been affiliated with the Denson Clinic for the past seventeen months will leave by plane Saturday for Chicago where he will do post graduate work in Cystoscopy.

Dr. Bartlett plans to be in Chicago until December 11 and resume his work here with the clinic.

Mrs. Bartlett and the children will remain in Cameron while the Doctor is in Chicago.

#### CARD OF THANKS

We take this means to express our heart felt appreciation for the sympathy extended to us by our friends and neighbors in our recent sorrow and the loss of our beloved father and husband.

We wish to thank the Doctor and the entire staff of St. Edward Hospital, those who sent floral offerings, and others who brought comfort to us in our sorrow.

We will always have the memory of your kindness.

### MRS. DREYER'S FATHER BURIED AT LAMARQUE

Funeral services for John Henry King were held Monday, at the home of his daughter, Mrs. S. D. Langford in Texas City.

Mr. King, father of Mrs. Henry Dreyer of Cameron died at his home Sunday, November 19, 1950. He had been in declining health for the past several months.

He was born at Elizabeth Town, Kentucky October 17, 1866, and was making his home at Texas City at the time of his death.

Rev. Williams, Pastor First Baptist Church officiated at the services and burial was made at Lamarque, Texas.

His survivors include his widow; four daughters, Mrs. Henry Dreyer of Cameron, Mrs. L. E. Roberts of Houston, Mrs. S. D. Langford and Mrs. Grace Holder of Texas City; two sons, John Henry King, Jr. and E. T. King both of Texas City.

Judge W. A. Morrison will be guest speaker at the American Legion 7th District convention in New Braunfels Sunday. The convention will be held at the Legion Home in New Braunfels.

Johnny Houston was a Cameron visitor Thursday.

### Christmas Fund Continues To Grow Program Progresses

Contributions to the Annual Christmas Program continue to come in and reports are that everything is progressing fine in preparation for the big holiday season.

Merchants over the town have responded generously to the fund and street decorating will get underway soon.

The following additional donations have been made by merchants supporting the fund: Dr. Parker, Chiropractor, \$2.00; Sharpe's Jewelry, \$5; Hefley-Stedman Motor Co. and Tractor Co. \$10.00; Cameron Implement Co. \$3.00; Mowdy's Tailor Shop, \$1.00; Cameron Enterprise, \$5.00; Ted Keuhl, \$3.00; Chilli's Shoe Store, \$2; Neinst Grocery, \$2.00; E. ### ARTILLERY HAMMERS ENEMY IN BIG ASSAULT

TOKYO, Nov. 25—The vanguard of an Allied army 100,000 strong forged ahead up to fifteen miles on an 85 mile front across the Northwest Korea Front Friday in the opening phase of Gen. Douglas MacArthur's end-the-war offensive.

The unopposed advance through the no man's land vacated by the Communists early this month carried the American and Allied troops into battle stations facing Communist forces of about equal numerical strength.

Front reports indicated that the first big battle was shaping up. United States artillery hammered the enemy in a pre-dawn barrage on a scale arguing an imminent assault.

All night long American and other United Nations troops, trucks and tanks rumbled into battle stations. They consolidated the initial sweep through the broad no man's land and prepared for the imminent assault heralded by the roaring artillery.

The offensive challenged Communist China openly to commit its massive army estimated at 400,000 to 500,000 troops, poised across the Yalu awaiting orders from Peiping or to get out of Korea.

Although the first day of the offensive was without a fight worth the name, the Allies won key bases from which to explode the assault aimed at hurling the enemy back across the Yalu.

The United States 24th Division sent a task force rocketing fifteen miles up the northwest coast of Korea into Chongju, key transport center on the coastal highway. There the pace-setting task force marked time for the flank units to catch up. This was the same highway the 24th traveled.

Jerry Sipula of Route 1, Cameron was a visitor at the Herald Office Friday afternoon.

### NORTHER SENDS MERCURY DOWN

The cold came in on winds that averaged nearly thirty miles an hour early Thursday evening. The high for Thursday was 81 degrees in Cameron and by early Friday had dipped to 28 degrees.

The whistling norther was expected to reach deep into South Texas late Friday. The cold wave hit the Panhandle Thursday morning, dropping temperatures to below freezing during the day. It kicked up dust throughout that area but no rain was reported.

Readings of 16 to 22 degrees were predicted for North and central Texas Friday night and early Saturday morning. Near freezing weather is predicted for the upper Texas coast and storm warnings have been raised from Brownsville to Lake Charles, La.

Mr. and Mrs. Alvin Pyeatt of Fort Worth have returned home after spending several days in the home of Mrs. Pyeatt's mother, Mrs. S. W. McClaren Sr.

## Texan, At Age of 108 Celebrates Birthday In Robertson County

Walter Williams celebrated his 108th birthday last Sunday, November 19, at his home near Edge in Robertson County.

Mr. Williams, who has lived in the present home for many years, is the father of 19 children. He was born in Fulton, Mississippi and came to Texas when he was sixteen years old and his parents settled in Brazos County, later moving to Robertson County where he has acquired a considerable amount of land during his lifetime, and still owns a large ranch near Franklin.

Mr. Williams, one of the three living confederate veterans, was recently made an honorary colonel by Governor Allan Shivers. He joined the confederate army when a youth and stated that the other veterans are not as old as he is. He said, "I am still able to read my Bible and the newspapers without my glasses and I still like to take an interest in what is going on in the neighborhood and the world at large."

His remarkable constitution has carried him through the years and he told relatives and friends that he intends to live a long time yet and would like to go deer hunting this year if he could get some of the young boys to take him. He related many interesting experiences of the past to the throng that gathered at the old home place to help him celebrate his birthday and is already making plans for the event next year. "The last deer hunt I've been on was when I was 103 and I could teach some of the youngsters of today a thing or two about deer hunting."

Mr. Williams said this is one of the happiest occasions of his entire life and said that he loved people and like to have them around and that the younger generations should be taught to be kinder and more unselfish.

A venison barbecue was prepared and served to several hundred people during the day and a large birthday cake was presented to the honoree and received many good wishes throughout the day.

Children attending the celebration are as follows: Bud Williams of Edge, Mrs. Willie Mae Bowles, B. W. Williams, Mrs. Lolo Bell Kintz, Mrs. Dea Kielamowicz, J. D. Williams, Mrs. Elizabeth Booth and Mrs. Rosie Brooks of Houston; Gene Williams of New Mexico; Jack Williams, Franklin; Mrs. Mattie Corgey of Corpus Christi; and Mrs. Carrie James of Midlothian.

Mr. and Mrs. Gene Blake and children of Cameron attended the celebration. Mrs. Blake is the granddaughter of Mr. Williams.

Mr. and Mrs. Earl C. McFarland, A. B. McFarland and Mrs. Grady Gill were in Marlin Friday. Earl C. McFarland who has been ill for several days is receiving treatment at the Clinic.

Mrs. Era Cobb is visiting her children in Houston for several days and will go to Galveston for a few days to be with her daughter, Mrs. R. M. Conner, Sr.

## REDS STRIKE HARD ON 45 MILE LINE

SEOUL, Monday, Nov. 27—Chinese and Korean Communist troops launched heavy counterattacks Monday morning against United Nations forces seeking to drive an estimated 110,000 enemy troops across the Yalu River into Red Manchuria.

The sudden explosion of enemy power extended along a 45 mile front from Taechon to the Changchun River in northwest Korea. The well-coordinated Red Attacks covered the four day old U. N. "end the war" offensive into a vigorous defensive action and forced withdrawals in two sectors.

The enemy onslaught seemed designed to follow up Red successes Sunday in the Pakchon area.

The Communists struck against troops of the U. S. 25th Division around Unsan and the ROK 1st Division in the vicinity of Taechon.

Unsan and Taechon are key strong holds in the Communist defense line in the northwest sector of battle-scarred North Korea.

Elements of the 25th Division regiment in an area six miles southwest of Unsan were forced to withdraw almost two miles under the impact of the Red assault.

Some units of the U. S. 2nd Di-

vision also were forced to withdraw early Monday to the south side of the Chongchon River in the Sinhung area.

The enemy moved against another regiment of the 25th Division five miles southwest of Unsan at 2 a. m. Monday. Task Force Dolvin and other elements of the 25th Division line as well as reserve forces were brought under Red mortar fire in what the communists termed a "heavy attack."

In the predawn darkness enemy forces of unknown size were trying to cross the Chongbang River, a tributary of the Ateryong, two miles south of Taechon.

The Reds in this area were seeking to drive a hole into lines of the ROK 1st Division's 12th Regiment.

Two Communist battalions attacked five and six miles east of Taechon at the same time.

The communists said other elements of the ROK 1st Division have been under heavy attack for 12 hours along the Taechon front but are wielding no ground.

The U. S. 24th Division on the 8th Army's extreme west flank was not encountering any enemy opposition but stopped advancing through captured Chongju until the situation on its flank is clarified. Patrols were trying to locate the enemy in the region.

Ray Boatright is now working for his uncle Henry Griffin near Seminole. He plans to return soon.

## C FOOTBALL SQUAD HONORED WITH BANQUET

The parents of the members of the C Football team entertained the Squad and their dates with a banquet and dance at the Cameron Country Club Wednesday November 22 at 7 P. M.

The invocation was given by C. L. Canady, principal at the Ada Henderson School. The school song was led by the cheer leaders, Nita Nabours, Ann Wimbrly, Nancy Grabein and Yvonne Storey.

Captain Joe Lee Heitman expressed his thanks to the team for their help throughout the season and the mothers in preparing the banquet.

Coach Paul Smith and Coach Gene Williford impressed on the squad the value of good grades and clean living and the desire to win in athletics. Coach Ross summed up the season and related how he had enjoyed coaching the C team in preparation for the B and A Teams.

A delicious baked chicken dinner was served to about seventy.

The cheer leaders led the group in singing "America" and formalities were concluded with the dance.

Stanley and Truman Pratt have returned from Stamford where they have been working for the past two months.

W. H. (Jack) Dreher of Cameron who has been employed in the oil fields at Jerrell, Texas near Georgetown was injured the first of the week and hospitalized.

Mrs. Inez Collins is visiting in Lake Charles, La., in the home of Dr. and Mrs. Hugh DeLaurell. Mrs. DeLaurell is a sister of Mrs. Collins.

Mr. and Mrs. Grady Goodwin, daughter and son of Bryan were visitors in the home of Mrs. G. M. Goodwin here Sunday afternoon.

Henry Lee Burnett of Marlow is visiting in West Texas.

## The Cameron Herald

November 30, 1950

Mr. and Mrs. Hugh Ridout and two children were visitors in Fliesville over the week end.

Marjorie Ann Henrichsen of Edinburg spent the Thanksgiving holidays visiting her grandmother, Mrs. Annie Henrichsen here.

Sunday afternoon guests in the home of Mr. and Mrs. D. C. York were Mr. and Mrs. Walker H. Horn, Jr. and son, Hood of Austin, Mr. and Mrs. A. B. McFarland and Mr. and Mrs. John Thomas LaCook of Cameron.

## Club News And Views

By MRS. BERTIE H. ALFORD

Monday morning, November 13, the Burlington 4-H girls met with Mrs. Alfond and Mrs. Lloyd Swanzey, sponsor, for a regular 4-H meeting. The girls voted to have a 4H club Christmas Party in December. Names were drawn for the exchange of gifts at the Party. Patterns of various Christmas Party in December. Names were girls during the program.

Jones Prairie, Forest Grove and Tracy H. D. Clubs held regular meetings this week with the Agent. A demonstration on making bathroom rugs was the subject of the demonstration given the women. Plans for Christmas parties were discussed by some of the clubs.

A good number of the H. D. Clubs will be represented at the Dress Form Demonstration given by the Singer Sewing Machine Company in Buckholes at the Homemaking Dept. on November 21 at 2:30 P. M. You are invited too!

The Hoyte H. D. Clubs will not have regular meeting Nov. 21. A number of the club ladies plan to attend the Dress Form Demonstration in Buckholes.

The H. D. and County Agents met for regular meeting with the Milano and Buckholts 4-H club girls and boys on Tuesday morning of this week. The girls were given materials and patterns for making Christmas gifts. Plans for Christmas parties were made.

The agent attended a Training School on "Making Gloves" in Temple on Friday November 17. A similar training school will be repeated here in Milam County soon for leaders of each H. D. Club.

Miss Sadie Hatfield, Specialist in Landscape Gardening, visited in Cameron and other points in the County on Wednesday November 25. Checking on landscape demonstrations begun last year. Mrs. Anton Anderle and Mrs. R. O. Curry's homes were

visited.

December 2 is the date set for the H. D. Council Bazaar. A Bazaar will be held at the Farm Bureau Office in Cameron from 10 A. M. to 5 P. M. Another will be held in the W. T. Pearson & Sons display room in Rockdale also from 10 A. M. to 5 P. M. on the same date, Saturday December 2.

Ladies from the Gay Hill H. D. Club met all day, Tuesday, November 14. In the morning, the group made materials to be sent to McCloskey Hospital. The H. D. Club program on "Making Hoked Rugs" was held in the afternoon.

Have you thought about what you'll have for Thanksgiving dinner yet? Why not foil-roast your turkey this year? If you attended our H. D. Encampment this past year, you'll remember the demonstration on cooking in aluminum foil. If not, contact this office for instructions. You can get aluminum foil at leading Grocery, Drug, Department and Housewares stores. No basting is necessary, no oven-watching. The fowl is easier to carve; and, after dinner, there'll be no scouring the roasting pan. Just throw the aluminum foil away!!!

## TEXAS FARM BUREAU HOLDS CONVENTION

The Texas Farm Bureau held its annual convention in the Baker Hotel in Mineral Wells, November 20, 21, and 22.

Several hundred delegates and their wives convened to discuss and present resolutions and plan the program for 1951.

Senator Tom Connally, senior senator of Texas, gave a most interesting explanation of "Agriculture Cooperation," discussing the need for cooperation among the farmers and what results that can be had by organizing. He said he had been in more wars than any man in the U. S. with less fighting. Senator Connally has always favored the agriculture issues for Texas farmers.

Hassall Schenck, member of the Indiana Farm Bureau, which state has gone all out for organization, gave a splendid talk on "Pathways Ahead."

Leonard W. Cowden spoke on the relationship of cooperatives to Texas agriculture. He is vice-president of the Consumer Cooperative Association.

Albert Gore, Congressman from Tennessee discussed the test of a Farm Bureau Program, stressing the importance of cooperation and what can be done by it.

Hoot Gibson, from the Extension

Department at A & M College spoke on the relationship or partnership between the Farm Bureau and extension work. His speech preceeded a talk by Walter Hammond, president of the Texas Farm Bureau. He pointed out that farm bureau membership includes all members of the farm family.

An amendment was offered and unanimously adopted which rescinded all previous action dues. This amendment reads as follows: the annual dues of this Federation shall be six dollars (\$6.00) pr member per year, from date of payment, subject to the provisions herein. Any member who may qualify as a member of a Community or County Farm Bureau may become an accredited voting member on payment of those dues and each member of the family of an associate member. Each six dollars (\$6.00 per capita payment shall include one subscription to the official publication of this Federation.

Ten delegates attended from Milam County and instructions and information received by those attending will be beneficial to the local bureau in its work in putting on membership drives.

S. W. McClaren, president of Milam County Farm Bureau, was elected District Director from this district to succeed Frank Taylor of Waco, which will cover 16 counties. Mr. and Mrs. McClaren were asked by Walter Hammond, president, to serve on the reception committee in Dallas at the National Farm Bureau convention to be held from December 9-13 to welcome delegates of other states to Texas. This will be the first time Texas has been host at the National Convention. A number of members from Milam County expect to attend.

Interest in Farm Bureau work has

been accelerated in the past three years and the present membership is over 1,000. Farmers are beginning to realize the value of organizing the local unit.

**Second Dividend Due In March On GI Life Insurance**

WASHINGTON, Nov. 26—The Veterans administration expects to begin issuing its next life insurance dividend in March or April.

The amount will not compare in size with the \$2,800,000,000 payment now being completed. VA has no estimates of it, but guesses of individuals range from \$400,000,000 to \$1,000,000,000.

The new payment will be for the years 1948 through the 1951 policy anniversary date, and thus will represent only three years instead of the accumulation of up to 8 years in the first refund.

Payments so far have averaged \$175 each this year.

After next years' special issue, dividends will be paid annually—when there are any—in a routine fashion on the anniversary date of each policy.

VA said no applications will be necessary for the forthcoming dividends, in the case of veterans who have received the first one. Holders of lapsed policies would be wise to apply however. The forthcoming payment will be for all policies kept in force at least three months—not necessarily three consecutive months between the anniversary dates in 1948 and 1951.

From where I sit ... *by Joe Marsh*

## I Have A "Close Squeak"!

Spent last Saturday morning wandering all over the house. Wherever I went—upstairs or down—I kept hearing a "squeak." Couldn't find out where it was coming from until noon-time when the missus came home from her weekly shopping.

"Listen," I says to her, "hear that squeak?" I started walking real quiet-like across the kitchen and there it went again! "Joe Marsh," she laughs, "that is nothing but your suspender clips rubbing back and forth when you walk!" And darned if it wasn't! From where I sit, I'd been let-

ting a little thing become a serious problem. Like some little difference of opinion or taste will start off a great big argument. I may prefer a temperate glass of beer with my dinner—while the missus likes tea—but we figure that no two people have exactly the same likes and dislikes. So, why get all "het up" about it?

The moral is, check your suspenders—and check your temper when it comes to little things.

**I**N these uncertain days it's wise to buy a rugged truck that can roll with the punches for years to come. Big fleet operators who keep careful check on all makes of trucks tell us that GMC's are consistent standouts for long life with minimum maintenance.

That goes for all GMC's from 1/2-ton models up. Many GMC Diesel truck-tractors are still highballing loads with more than a million miles of over-the-road service behind them.

The reason is—every GMC is all truck! Every GMC is designed by truck engineers for truck service with 100% truck-built parts. You get a real truck engine with high horsepower and higher sustained torque—more pull—an engine that delivers full power without eating its heart out!

There are many other extra-value reasons why a GMC is your best buy for the long haul. We'll be glad to give you proof!

## Chrysanthemums, At Glass, The Florist In Gorgeous Colors

One of the most beautiful sites in the city at the present is at 505 North Travis, the green house of Glass, the Florist. Here you may view the beautiful Chrysanthemums in a variety of colors.

The Glasses, Hallie, Lester, Esta and Donald, have attracted state wide attention for their culture of these gorgeous "Mums" and for a number of years have been tops in Texas and widely sought by florists in all sections.

The Glasses who have studied designing and the art of arrangements are known over the entire state for their artistic achievement in their progressive business. They make it a hobby as well as a business and deserve considerable commendation for their achievement in flower culture. The mums this year are gorgeous and fit into all November and December festivities especially Thanksgiving and Christmas Holidays.

Dr. and Mrs. D. T. Talmadge of Washington, D. C. and Mrs. Elvin Calloway and three children, Tommy, Pat and Pamela of Killen spent Sunday in the home of Mr. and Mrs. C. S. Coleman. ## Initiation Service Of Homemakers Chapter Held Wednesday

Twenty-two new members of the Future Homemakers of America of the Yoe High Chapter were initiated in the homemaking department on November 15 at 7:30 P. M.

Ten old members were on hand to deal the decisive horrors. Mrs. Imogene Whately, sponsor, and two mothers, Mrs. C. F. Gilbert and Mrs. Max Schuetze were also present.

The girls were led across broken glass and branded with their own blood and were made to jump from a high ladder. All of this of course, was the understanding that no one was to be hurt. To end formalities cake and punch were served.

Students present for the occasions were Evelyn Armstrong, Claissa Brasher, Mary Jo Clements, Diedra Denson, Nelda Glaser, Mary Hensley, Marie Hearne, Nancy Ingram, Anna Hanel, Rosie Kolodejak, Norma Lunsford,

And Kay Mondrick, LaVerne Michalka, Frances Petru, Joyce Pate, Maysell Reynolds, Martha Swazy, Shirley Smith, Marie Sproull, Anna Simank, Rose Lee Tomek, and Joy Thweatt.

## SEAMAN STEPHEN POND STATIONED IN TOKYO

Mr. and Mrs. Jack Pond, residents of the Jones Prairie Community, received word from their son Seaman Stephen Pond that he is back in Tokyo and the war situation in Korea looks better than it did a month ago.

Seaman Pond has been in the Navy for the past 2½ years and likes serving in the Fleet very much. In his letter to his parents he told of seeing Morgan Layfield, principal of Yoe High School who is on leave of absence for a year doing special work in Japan. He said he and Mr. Layfield plan to see each other as often as possible.

## Milano Homemakers Observe FHA Week With Unique Program

Milano Future Homemakers of America celebrated F.H.A. week November 12-18 which was designated by Governor Allan Shivers for the entire State of Texas.

Sunday, November 12, the Milano F.H.A. Chapter attended service at the Milano Baptist Church and Friday, November 18, they had charge of the Assembly program for the school. During the course of the program each member of the faculty was presented a rose corsage which is the national flower of the F. H. A. Chapter. Joyce Woodrum, president of the chapter, gave a reading on "How to Cook Husbands," and Loraine Rose on "How to Preserve Children."

The entire student body enjoyed the program very much and are looking forward to another by the F.H.A. Chapter.

## GENERAL MACARTHUR DIRECTING ASSAULT

TOKYO, Nov. 24 —United Nations forces opened a massive "end-the-war" offensive in Northwest Korea Friday against 100,000 Chinese and Korean Reds.

Gen. Douglas MacArthur was on hand to direct the all out drive.

The United Nations high commander sped by personal plane to the wintry war front for the big push which he said should "end the war and restore peace and unity to Korea."

The surprise drive manned by American, British Commonwealth and South Korean troops began when talk was in the air of a possible negotiated peace with Red China over Korea.

A special communique signed by MacArthur said the "United Nations massive comprehensive envelopment in North Korea against the new Red Armies operating there is now approaching its decisive effort."

American forces at the Manchurian border in Northeast Korea have closed the right jaw of a giant pincers.

The Western sector of the pincer moved forward in general assault in an effort to complete the compression and close the vise," MacArthur's headquarters announced.

"If successful, this should for all practical purposes end the war, restore peace and unity to Korea, enable the prompt withdrawal of United Nations military forces and permit the complete assumption by the Korean people and nation of full sovereignty and international equality."

Softening the enemy for the northwest Allied push, swarms of Allied planes daily have pounded Red concentrations and supply points. The aerial blasts cut sharply into enemy reinforcements and essential supplies.

The northwest border push began just north of the Chonchun River at points roughly forty-five to sixty air miles short of the Yalu River separating Korea and Red China's Manchuria.

Recent reports have told of two Red defense lines being built to bar the way to the big Suiho hydroelectric project on the Yalu River which feeds the factories and munitions making plants of Manchuria.

The U. N. forces Friday returned to the offensive on that front for the first time since late October. Chinese Reds unleashed a savage counter-drive in the last week in October, causing U. N. forces to pull back up to fifty miles after one South Korean element actually had reached the Manchurian border in that sector.

General MacArthur again accentuated the historic importance of Friday's development as he has in other

stages of the war by going to the scene of action.

MacArthur's headquarters in Tokyo said "General MacArthur is personally present on the western sector of the battlefield."

**ANNUAL ROLL CALL  
NIGHT HERE MONDAY**

Knights of Pythias will meet in the Castle Hall of Milam Lodge No. 125, Monday night November 27, to make plans for the annual Christmas cheer fund Roll Call, it was announced by J. M. McLean, secretary.

Chancellor Commander, W. W. Lowe has issued the proclamation and it is annual roll call night, and the meeting is scheduled to get underway at 7:30 and all Pythians are under summons to attend.

Here is the proclamation: "In obedience to a time-honored custom for forty-one years, we approach the season which has been graciously received by membership of the Order, this being the privilege of having part in making a contribution to the fund which brings cheer at Christmas to the children and widows of the Pythian home."

This Christmas fund not only provides for those things dear to the hearts of childhood during the Holiday Season, but operates throughout the year to take care of small allowances of cash from week to week for each child, makes possible picture shows from time to time, provides music lessons and music, this fund is under the direct supervision of Superintendent and Mrs. Hugo Horstmann.

The Rank of Esquire will be conferred at this meeting and refreshments will be served at the conclusion of the program.

bowl, now attracting teams from other states. Tiny teams from Chicago, California, and Louisiana were considered for the game, with a dozen Texas teams bidding for host honors.

The Mexia team is one of the state's newest and best pee-wee clubs. It has scored 61 points to the opposition's 13 in three games. After dropping a 0 to 7 decision to the veteran Gause team it downed that team 14 to 6 in a return match. Mexia blasted another pee-wee club 47 to 0.

Coach of the Texas team is J. C. Collier, a former 4-sport letterman at Navarro Junior College in Corsicana, Texas. Collier is a railway express company employee when he isn't teaching tricks to his young team.

The Waco Jaycees, aided by their sister club in Mexia, are making plans to have a collection of celebrities on hand for the bowl, with junior-grade queens from nearby schools. Southwest Conference officials already are offering their services, and the game will be broadcast, either statewide or on one of Texas' major stations.

The pee-wee teams are bona-fide football squads, restricted to 14-year olds or under, weighing not more than 100. They can play only after a doctor's okay and that of their parents. They'll be insured in the tilt.

The game will be a non-profit affair, with no money going for salaries. The complete net proceeds will go into a youth welfare fund, audited and supervised by the directors of the Waco Jaycee Club.

eled to within gunshot of Manchuria a month ago.

The American 25th Division's leading task force in the center of the line was set to drive into Unsan, scene of a big United States defeat Nov. 1 at the hands of bugle-blowing Chinese horsemen.

The Allied line angling across the Chongchon River Valley averaged some fifty miles from the Yalu.

All across the Northwest Korean line, where the fuse for the first big battle now was sputtering, it was a story of advances of around ten miles through the area left vacant by a general Communist withdrawal three weeks ago.

are varied, Mr. Siebman pointed out. "In the event line trouble is discovered at some inaccessible position—such as river and creek bottoms—the line crew will be able to report from the scene of trouble and be given instructions directly without the loss of valuable time.

"Repair crews out on routine jobs will be immediately available for emergency arising elsewhere. Contact with crews will be maintained constantly during periods of storm and extremely bad weather conditions when other methods of communication are disrupted," he added.

With completion of the station, the Company will have radio communication throughout the Cameron District and also with other points throughout the TP&L system.

United States 2nd Division—on the South Korean 2nd Corps' left flank straddling the Chongchon River. The Reds heavily attacked the division's right flank near Unbong. That is four teen miles northwest of Tokchon. The new attack followed others which forced the defending United States regiment to withdraw Monday and Monday night. Behind this regiment a retreating South Korean division was organizing along with reinforcements to hold the flank shoulder.

**STREET DECORATIONS  
FOR YULETIDE HOLIDAY**

L. G. Smith, Manager of the Chamber of Commerce; Narvie Caperton, General Chairman of the Christmas program; and Milton Chiller, President of the Junior Chamber of Commerce went to Houston Tuesday to purchase street decorations for the downtown area. The Jaycees are chairmen of the street decorations this year and something spectacular and unusual is expected in the way of decorations.

It is the plan of this committee to decorate only as much of the town as the money set aside for this purpose will allow, adding to the decorations each year until the town is completely decorated. Emphasis that will be placed on buying decorations made of good substantial material that will hold up in all kinds of weather and can be stored away and used year after year.
